New Course to Replace *Boats 'N Kids & Water 'N Kids*

BACKGROUND — Booklets are not available from ANSC for the *Water 'N Kids* (WNK) and the *Boats 'N Kids* (BNK) courses. Some other materials for these courses are also unavailable (see "Ordering Information" given with the courses below).

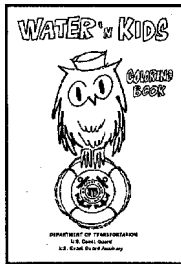

The *Water 'N Kids* booklet (coloring book) is available for viewing and printing from the Education Department section of the Auxiliary National Web site. It is also available on-line from a Coast Guard Web site as reported on page 6 of *THE NAVIGATOR*, Summer Issue, 1997.

OUTLOOK — The Department of Education will issue a new youth course, replacing BNK and WNK, as early as possible in 1998.

- New Course Title: *BOATS, WATER & KIDS*.
- Combines WNK & BNK to target kindergarten through 6th grade classes.
- Course will be interactive type rather than a coloring book.
- Availability and instructions for ordering will be announced in a PE *Speed-gram*.

WATER 'N KIDS

- Introductory water safety course for Children
- Slides available, if desired (see p3)
- Instructor Guide available
- Flyer for posting in advance on school Bulletin Board

BOATS 'N KIDS

- Designed for slightly older audience than Water 'N Kids
- Instructor Guide available
- Certificate of Participation—one for each student—in color
